LEAD THE WAY IN BADMINTON...

Are you between **16** and **21** years old?
Do you enjoy **badminton**?
Would you like to see more people **playing**,
volunteering or **coaching** badminton?

Then why not join *your*
Regional Badminton Youth Forum?

As a member of a Badminton Youth Forum you will:

- Have a say in the development of badminton for young people
 - Represent your peers' views at regional and national level
 - Support new initiatives and events in the region
 - Develop your leadership and team skills
 - Receive training opportunities and BADMINTON England kit
- And much more....

We're looking for dynamic and reliable young people who are happy to share their ideas and work together to raise the profile of badminton and to **inspire more young people** to play and volunteer.

To apply to become a member of the South West Youth Forum, send us a brief written profile of yourself, with contact details, and why you want to be involved.
