OneCornwall Team

Vision

- 3 Key Principles

- *Stronger Voice for Cornwall*

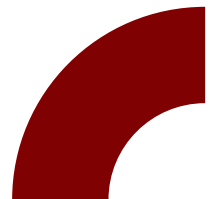

- *Local, regional, UK & Europe*

- *More efficient and effective services*

- *More flexible and less confusion*

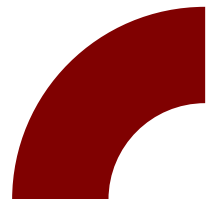

- *Locally accountable - "Localism"*

- *Local influence*
 - *Local monitoring*
 - *Local empowerment and active citizenship*
 - *Communities of place, need and interest*

Context and Challenges

- Changing demographics
- 'Credit Crunch'
- Difficult issues
 - *Isolation*
 - *'Nothing to do'*
 - *Access to services*
 - *Poverty and increased worklessness*
 - *Anti-social behaviour*

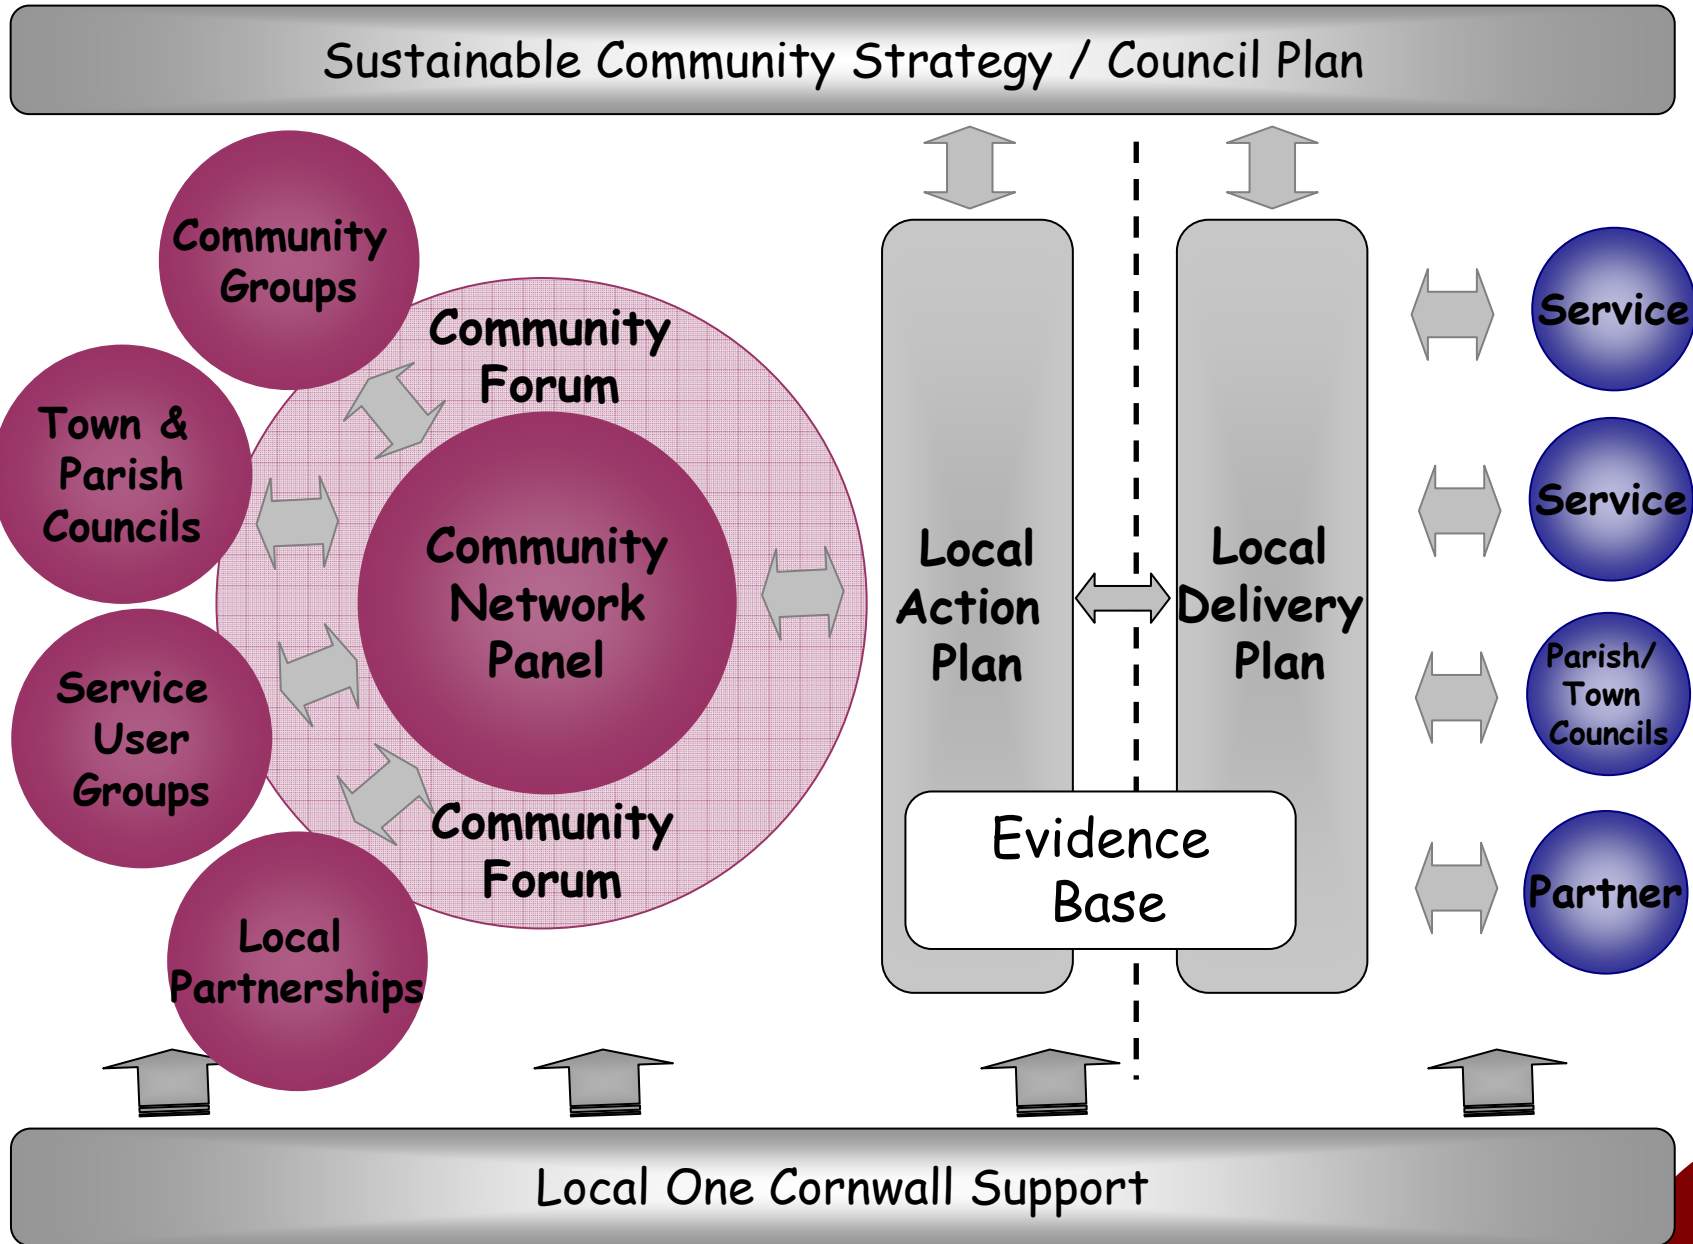

Localism - Community Networks

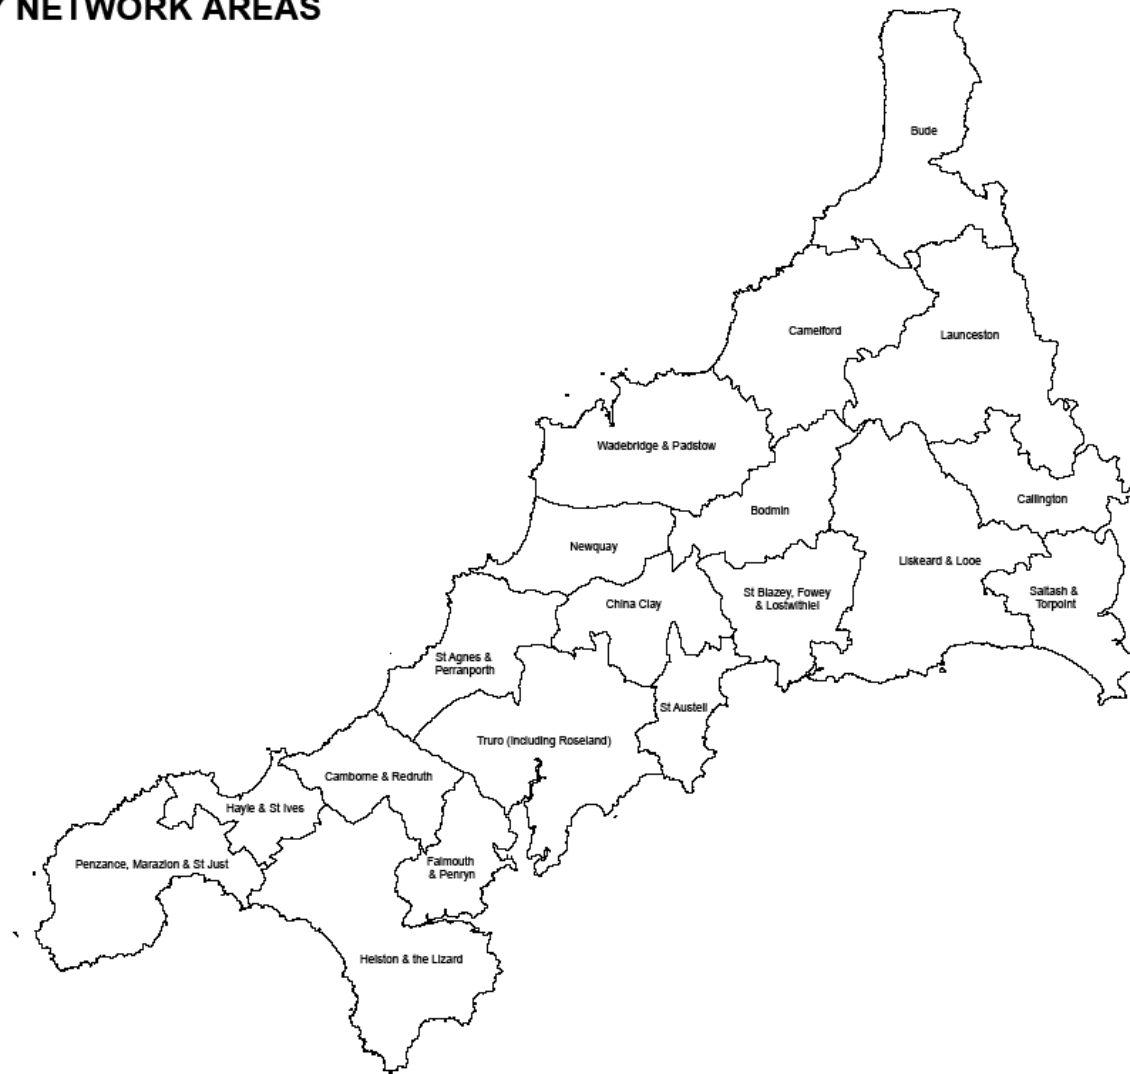

- 19 - generally based on towns and hinterlands
- Member lead process - Network Panel
- Develop Community Network Plan with local priorities
- Delivery through Local Delivery Plan
- Some local funding from a 'Community Chest'
- Influence and monitor local service delivery
- Enhanced role for Town and Parish Councils
- Developing role for Voluntary and Community Sector
- Focus for local partnership working
- Dedicated locally based support - varying model
- Variety of local engagement processes building on existing best practice and developing new ones
- **Not micro-management** of local service delivery

Community Network Model
