

Cornwall Sports Funding

Updated February 2010

www.cornwallsportspartnership.co.uk

Welcome to the Cornwall Sports Funding Leaflet, this document has been developed as a guide to potential funding sources. It has been produced by the Cornwall Sports Partnership with support from Cornwall Council and the South West Funding Advisors Network.

The leaflet has been divided into three areas :

1. Information on National funding initiatives
2. Information on Local funding initiatives
3. Information on Individual athlete funding

Although the Cornwall Sports Partnership does not provide funding, we do provide advice and support to individuals/organisations on how to apply for funding and what funding is available. We hope you find this information useful as the first step towards making a successful funding application. This document is updated three times per year so please make sure you are using the latest edition.
